

Rip and Tear Endorsement

Policy No.: _____ Effective Date: _____

Coverage - Building Material Replacement

1. Insuring Agreement

We agree to indemnify you for the labour expense incurred to remove and/or replace building material products installed by you or on your behalf which are in place and form part of any type of structure or other property constructed or being constructed by you or on your behalf. Provided that

- a. the removal and/or replacement is necessary because such products upon testing by an accredited independent testing agency are determined to be defective since they do not meet the contract specifications for such products to the extent they have been rejected by the owners of the structure or their accredited representative or any municipal or other authority having jurisdiction thereof and;
- b. the defect arose out of an error in prescription, manufacture, blending, mixing or compounding of such products.

2. Exclusions

This insurance does not apply to

- a. the actual cost of the building material products that are replaced including delivery to the site;
- b. expenses for the removal or replacement of building material products that were supplied prior to the effective date of this policy;
- c. "bodily injury", "property damage" or "personal and advertising injury";
- d. any express warranty unauthorized by you.

3. Limit of Liability

- a. The maximum amount we will indemnify you for under this coverage is limited as described in Limits of Insurance;

Common Exclusions - Coverages A, B, C, D and E

This insurance does not apply to:

1. Asbestos

"Bodily injury", "property damage" or "personal and advertising injury" related to or arising from any actual or alleged liability for any legal remedy of any kind whatsoever (including but not limited to damages, interest, mandatory or other injunctive relief, statutory orders or penalties, legal or other costs, or expenses of any kind) in respect of actual or threatened loss, damage, cost or expense directly or indirectly caused by, resulting from, in consequence of or in any way involving, asbestos or any materials containing asbestos in whatever form or quantity, including any costs or expenses incurred to prevent, respond to, test for, monitor, abate, mitigate, remove, cleanup, contain, remediate, treat, detoxify, neutralize, assess or otherwise deal with or dispose of asbestos or any materials

containing asbestos in what ever from or quantity. This exclusion applies regardless of any other contributing or aggravating cause or event that contributes concurrently or in any sequence to the "bodily injury", "property damage" or "personal and advertising injury".

2. Fungi or Spores

- a. "Bodily injury", "property damage" or "personal and advertising injury" or any other cost, loss or expense incurred by others, arising directly or indirectly from the actual, alleged or threatened inhalation of, ingestion of, contact with, exposure to, existence of, presence of, spread of, reproduction, discharge or other growth of any "fungi" or "spores" however caused, including any costs or expenses incurred to prevent, respond to, test for, monitor, abate, mitigate, remove, cleanup, contain, remediate, treat, detoxify, neutralize, assess or otherwise deal with or dispose of "fungi" or "spores";
- b. Any supervision, instructions, recommendations, warnings, or advice given or which should have been given in connection with a. above; or
- c. Any obligation to pay damages, share damages with or repay someone else who must pay damages because of such injury or damage referred to in a. or b. above.

This exclusion applies regardless of any other contributing or aggravating cause or event that contributes concurrently or in any sequence to the "bodily injury", "property damage" or "personal and advertising injury".

3. Nuclear Energy Liability

- a. Liability imposed by or arising from any nuclear liability act, law or statute, or any law amendatory thereof;
- b. "Bodily injury", "property damage" or "personal and advertising injury" with respect to which an insured under this policy is also insured under a contract of nuclear energy liability insurance (whether the insured is unnamed in such contract and whether or not it is legally enforceable by the insured) issued by the Nuclear Insurance Association of Canada or any other insurer or group or pool of insurers or would be an insured under any such policy but for its termination upon exhaustion of its limit of liability;
- c. "Bodily injury", "property damage" or "personal and advertising injury" resulting directly or indirectly from the "nuclear energy hazard" arising from:
 - (1) The ownership, maintenance, operation or use of a "nuclear facility" by or on behalf of an insured;
 - (2) The furnishing by an insured of services, materials, parts or equipment in connection with the planning, construction, maintenance, operation or use of any "nuclear facility";
 - (3) The possession, consumption, use, handling, disposal or transportation of "fissionable substances", or of other "radioactive material" (except radioactive isotopes, away from a nuclear facility, which have reached the final stage of fabrication so as to be useable for any scientific, medical, agricultural, commercial or industrial purpose) used, distributed, handled or sold by an insured. This exclusion applies regardless of any other contributing or aggravating cause or event that contributes concurrently or in any sequence to the "bodily injury", "property damage" or "personal and advertising injury".

4. Pollution

- a. "Bodily injury", "property damage" or "personal and advertising injury" arising out of the actual, alleged or threatened spill, discharge, emission, dispersal, seepage, leakage, migration, release or escape of "pollutants":
- 1) At or from any premises, site or location which is or was at any time owned or occupied by, or rented or loaned to, any insured. However, this subparagraph does not apply to:
 - (i) "Bodily injury" if sustained within a building and caused by smoke, fumes, vapour or soot from equipment used to heat, cool or dehumidify the building, or equipment that is used to heat water for personal use, by the building's occupants or their guests;
 - (ii) "Bodily injury" or "property damage" for which you may be held liable, if you are a contractor and the owner or lessee of such premises, site or location has been added to your policy as an additional insured with respect to your ongoing operations performed for that additional insured at that premises, site or location and such premises, site or location is not and never was owned or occupied by, or rented or loaned to, any insured, other than that additional insured; or
 - (iii) "Bodily injury" or "property damage" arising out of heat, smoke or fumes from a "hostile fire";
 - 2) At or from any premises, site or location which is or was at any time used by or for any insured or others for the handling, storage, disposal, processing or treatment of waste;
 - 3) Which are or were at any time transported, handled, stored, treated, disposed of, or processed as waste by or for:
 - (i) Any insured; or
 - (ii) Any person or organization for whom you may be legally responsible; or
 - 4) At or from any premises, site or location on which any insured or any contractors or subcontractors working directly or indirectly on any insured's behalf are performing operations if the "pollutants" are brought on or to the premises, site or location in connection with such operations by such insured, contractor or subcontractor. However, this subparagraph does not apply to:
 - (i) "Bodily injury" or "property damage" arising out of the escape of fuels, lubricants or other operating fluids which are needed to perform the normal electrical, hydraulic or mechanical functions necessary for the operation of mobile equipment (that is not an "automobile") or its parts, if such fuels, lubricants or other operating fluids escape from a mobile equipment part designed to hold, store or receive them. This exception does not apply if the "bodily injury" or "property damage" arises out of the intentional discharge, dispersal or release of the fuels, lubricants or other operating fluids, or if such fuels, lubricants or other operating fluids are brought on or to the premises, site or location with the intent that they be discharged, dispersed or released as part of the operations being performed by such insured, contractor or subcontractor;

- (ii) "Bodily injury" or "property damage" sustained within a building and caused by the release of gases, fumes or vapours from materials brought into that building in connection with operations being performed by you or on your behalf by a contractor or subcontractor; or
 - (iii) "Bodily injury" or "property damage" arising out of heat, smoke or fumes from a "hostile fire"
- 5) At or from any premises, site or location on which any insured or any contractors or subcontractors working directly or indirectly on any insured's behalf are performing operations if the operations are to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of, "pollutants". Any loss, cost or expense arising out of any:
 - (1) Request, demand, order or statutory or regulatory requirement that any insured or others test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of, "pollutants"; or
 - (2) Claim or "action" by or on behalf of a governmental authority for "compensatory damages" because of testing for, monitoring, cleaning up, removing, containing, treating, detoxifying or neutralizing, or in any way responding to, or assessing the effects of, "pollutants". However, this Section (b) does not apply to liability for "compensatory damages" because of "property damage" that the insured would have in the absence of such request, demand, order or statutory or regulatory requirement, or such claim or "action" by or on behalf of a governmental authority.

5. Terrorism

"Bodily injury", "property damage" or "personal and advertising injury" arising directly or indirectly, in whole or in part, out of "terrorism" or out of any activity or decision of a government agency or other entity to prevent, respond to or terminate "terrorism". This exclusion applies regardless of any other contributing or aggravating cause or event that contributes concurrently or in any sequence to the "bodily injury", "property damage" or "personal and advertising injury".

6. War Risks

"Bodily injury", "property damage" or "personal and advertising injury" arising directly or indirectly, in whole or in part, out of war, invasion, act of foreign enemy, hostilities (whether war be declared or not), civil war, rebellion, revolution, insurrection or military power. This exclusion applies regardless of any other contributing or aggravating cause or event that contributes concurrently or in any sequence to the "bodily injury", "property damage" or "personal and advertising injury".
